STONE LAB SLATE BLACK 163x324 . 64,17"x127,56"
THICKNESS 12 mm . 1/2" _ FINISHES: REAL MATT

The background of the entire image is a detailed, high-resolution photograph of a natural stone surface, likely marble or granite. It features a complex, organic pattern of veins and mottled patches in various shades of light beige, cream, and off-white, with occasional darker, greyish-brown streaks. The texture appears slightly grainy and uneven, characteristic of natural stone.
